

The Satellite

A junior high Sunday school class communication

Cheryl Crum, Teacher

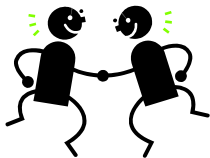

October 2009

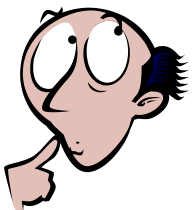

It's hard to believe it, but 4 weeks have gone by already for our Sunday school class! We are off to a great start and we have been having a lot of fun each week, or at least the teacher has!

The first week we had fun playing some ice breaker games and spent time getting to know one another. One of the games was "three things" and everyone loved it so much we played it twice!

Each week we are learning more about each other and more about the bible as well. We started off learning about God's ultimate power through the story of the tower of Babel. Then we moved on to realizing God's promises for us by looking at Abraham and Sarah and the birth of Isaac. Next we learned that being faithful means being obedient to God even when we don't understand or don't want to obey through the story of Abraham's near sacrifice of his son. Finally, last week, we looked at Jacob's dream of the ladder to heaven and his conviction to return one tenth of everything God had given him back to God to honor Him. It's been a great time of learning for all.

Anne Pierson came to our class and invited us to step up and meet the challenge to collect food to aid in our church's monthly contribution to the food pantry. In the spirit of friendly competition, we are trying to see who will collect more, us or the Sr. High class. The winner gets a cinnamon roll breakfast and the real winners will be the people who will receive the much needed assistance in difficult times. We will be collecting food through 10/18-09 in our classroom.

Finally, we are memorizing a scripture verse each quarter and the one for this quarter is Romans 15:2 which states:

Each of us should please his neighbor for his good, to build him up.

If you haven't had the opportunity to come yet, I hope you will! We'd love to have you! Class runs from 9:40 to 10:30am each Sunday morning in the Jr. High classroom in the hall south of the kitchen.
